[www.OpenDoorRC.com](http://www.OpenDoorRC.com)

The Missing link in the chain of supply bringing aid to victims of disaster and relief for kids and families in crisis.  
*Every \$10,000 donated helps families with up to \$100,000 in supply.*

***"We have truckloads of supply waiting to be delivered"***  
***"You have families in need that could use the help"***

## ***How This Works.***

---

It's always better to give than receive. That's why every dollar Donated to Open Door Relief Center comes back multiplied.

## ***How We Help You.***

---

Donating to Open Door Relief Center Helps Your Church.

### ***Supercharge Outreach Impact with Increased Supplies***

More than triple amount of supplies you need

Tailor your list to match your needs.

It's simply more supply for less- Stewardship in Action.

**We work through our partner churches to distribute supplies to those in need.**
